

## **BIBLICAL PRINCIPLES FOR CHURCH ARCHITECTURE**

by Rev. Professor-Emeritus Dr. Francis Nigel Lee

### **Winterton Reformed Church (First Pastor, Rev. Dr. F.N. Lee 1969-73)**

A good example of contemporary Protestant Church Sanctuary Architecture.

Inside: Well-illuminated fan-shaped Bible-centred acoustical building with elevated pulpit.  
Outside: Crossless Protestant steeple points beholders to Heaven (where risen Christ now is).
